Tenders are to be submitted for each type of works separately, duly noting on the cover to which item of work the tender relates.

Tenders will be opened at 5-30 P.M. on the same day.

The contractor shall quote rates for each individual item of work both in words and in figures and the rates quoted shall hold good till the works are completed. The rates quoted shall include provision for payment of sales-tax, royalties or any tax due to Government.

For all non-tendered items, rates as per approved Schedule will be paid and for all non-scheduled items rates as per data to be approved by the Chief Engineer will be paid.

Cheques will not be accepted for earnest money nor requests for adjustment of amount due by Government can be entertained.

Tenders will not be considered unless they are in the prescribed forms which will be supplied on payment of Re. 1 (for duplicate forms) at the Office of the Executive Engineer, No. 4 Anvery Division.

The successful contractor shall bind himself to abide by the departmental rules and specifications in force, and shall execute necessary agreement within seven days from the date of intimation of acceptance of the tender, failing which his earnest money will be forfeited.

Each tender shall be accompanied by a treasury challan towards the earnest money credited to the "Revenue Deposits" at any of the Government Treasuries, and should be enclosed on the cover.

The final acceptance of the tender will rest with the competent authority. The estimates and plans will be available for the perusal of the intending tenderer and any further particulars required can be had at the Office of the Executive Engineer, Anvery Division, B. R. Tunnel Colony Post on all working days during the office hours.

The department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection, if any.

Cash payments have to be made for cement and steel, if supplied departmentally. The materials can be had from the Divisional Stores at the issue rate in vogue at the time of purchase.

Reserve and earnest money deposit will be repaid duly after the settlement of the final bill.

Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

The term "Specification" mentioned either in the schedule or in the estimate in the noticed items would mean specific items of works to be done according to the instructions issued by the Departmental Officers with reference to design, calculation, etc., furnished during execution and no higher rates than tendered ones will be paid.

The department does not take the responsibility to hire lorries to the contractors.

Quantities given in the notification on schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

The work should not be sublet.

The contractor will have to make his own arrangements for water required for the works, scaffolding materials, etc. No extra rates will be allowed for any of the above items.

The contractor should furnish income-tax and sale-tax clearance certificates, along with the tenders as per rules. The contractor should furnish the tender in duplicate, and should there be any differences in rates between the original and the duplicate, the lowest of the two will be considered. The work should be completed in all respects within the stipulated time and progress should not fall short of monthly progress noted during any month. Tenderers should furnish their full address for further correspondence.

Tenders will be received in sealed covers addressed to the Executive Engineer, North Kanara Division (PWD), Karwar, with the name of the work written at the top of the above envelope by the undersigned in this office and will be opened at 4-00 P.M. on the date mentioned in column 7 if possible. The security deposit money should be paid into the Government Treasury and the receipted challan enclosed with the tender documents. Security deposit money in the form of cheque will not be accepted. The above work is to be completed within the period shown in column 8 from the date of written order to commence the work.

2 The contractor should quote rates both in words and figures. The amount should also be worked out by him and requisite total given. No alteration in the form or quotation and in the schedule of quantities and no addition in the shape of special stipulation will be permitted. Quotations which do not fulfil all or any of the above conditions or are incomplete in any respect are liable to summary rejection.

3 Acceptance of quotation will rest with the competent authority who does not bind himself to accept the lowest and reserves the right to reject any or all quotations and no reasons will be given for acceptance or rejection thereof. The tenderer whose quotation is accepted will have to enter into a regular B-2 form and abide by all rules and regulations embodied therein.

4 The contractor should particularly note the units on which the rates are based. In case the amount shown in the last column as worked out by the tenderer differs from that worked out from the quantity and the rates, the amount based on the rate will be taken as correct. In case the rate in words differs from that in figures, the former will be taken as correct. No change in unit shall be allowed.

5 When tendered rates are the same, preference will be given at the discretion of the accepting authority to those who tender for carting of materials by vehicles having pneumatic tyres.

6 After opening the tenders, only the lowest or recommended contractor will be informed to pay the security deposit and produce the required documents such as

solvency certificates, Income-tax, Sales-tax clearance certificates and list of works in hand stating the works completed and to be completed.

7 Contractor shall in each case be required to deposit 5 per cent of the estimated cost of the work (as mentioned in column 4 above) tendered for while offering tenders, provided however that contractors in class I and II will be exempted from this requirement if they have already deposited a sum of Rs. 50,000 and Rs. 20,000 respectively with the registering Authority either in cash or interest bearin security at the time of registration.

By Order,
